PRAYING FOR SUNSHINE, EVERY WEEK!

Nuts fixes summer (sort of)!

NUTS CAMPAIGN!

We march on the Met Office to demand more sun!

Centre Court was a bit soggy

WASH OUT!

It's nearly July already and, frankly, this summer's been rubbish. Way too much rain and not enough sun, meaning an appalling lack of bikinis.

Well, here at *Nuts*, we believe in direct action, which is why we journeyed to Exeter to tell the Met Office (who've been supplying the UK with weather since 1854) that this ain't good enough, and deliver a complaint from the Great British Public!

If our bikini babes don't make them turn on the good weather,* then frankly, they're mad. We want sun, and lots of it – *now!*

OUR LETTER!

OFFICIAL Nuts COMPLAINT!

Dear The Met Office,

We, the people of Britain, would like to make it clear that we are not happy with the weather with which you are supplying us this summer (especially the rain, which is spoiling our beer garden time). We respectfully request that you make with the sunshine at the earliest available opportunity, as, quite frankly, we want to see some ladies in bikinis.

With thanks,

The Great British Pubic

BEN

"They should rename it the Wet Office, with the summer we're having!"

GLEN

"Sort this summer out before I go to Reading Festival, or you can pay for my ticket!"

ALAN

"Our pub beer garden's wet and lonely. The Met Office can bog off to Plymouth!"

Met Office statement

In which they wriggle out of it!

Met Office forecaster Dave Britton tells Nuts: "Thank you for your letter! As I'm sure your readers are aware, the Met Office doesn't actually control the weather but we're the place to come to find out if it's 'beer garden' or 'propping up the bar' weather.

"Unfortunately, I can't promise you sunshine but I can promise you the most up-to-date forecasts on our website www.metoffice.gov.uk, whatever you do this summer."

Whatever your thoughts on the current grumpiness happening in Libya, no one could fail to be impressed by the resourcefulness being shown by the rebel army.

They're cobbling together amazing DIY weapons from anything they can salvage on the battlefield, held together with Blu-Tack, string and prayers. Our army man – former SAS and MI6 chap Colin Berry – has taken a look over this impromptu armoury. Here he gives his combat assessment…

SAS EXPERT!

Colin Berry is the author of The Deniable Agent: Undercover in Afghanistan

THE CHAIR OF DOOM!
"This happy chap has strapped his Recaro seat to a ZPU-1 4.5mm anti-aircraft gun! It has a range of about 8km and will penetrate 32mm of armour. He is very exposed, though!"

THE BIG ONE
"This guy's welding a weapon on a frame for mounting on a vehicle. It looks like it's belt-fed, which indicates it comes from a Hind helicopter. They've certainly been busy!"

Release: StoreMags & FantaMag

BIG BESSIE
"The rocket launcher being worked on in a workshop is very long so would have good accuracy over a long range. They'll probably be mounting it on an HGV!"

THE STOP-AND-POP
"This strange vehicle is sporting what looks like the Iranian SPG-9 anti-tank and anti-armoured shelter weapon. This fires a 73mm round at ranges up to 4.5km."

THE ROCKET VAN!
"The launchers strapped onto these pick-up trucks are Hind attack helicopter rocket pods! The platforms are unstable, so firing them must be a very hit-and-miss affair."

THE TANK TOP!
"I think this turret comes from a Soviet BMP-1 tank! The biggest risk from this would be the prospect of the whole thing demounting and crushing anyone in the vicinity!"

HOME-MADE!

FLAMING TRAIL OF DEATH
"The big flame belongs to the Chinese Type 63 107mm multiple rocket launcher – not one to be standing behind. It's bolted onto a lightweight vehicle for ease of movement."

Danish hypercar!

Zenvo ST-1 50S fires up the horsepower arms race!

- **For those moments in life when their existing 1,089bhp 2009 model just doesn't cut it, Danish power lords Zenvo have announced a version with 1,233bhp.**
- With the aim of making a big entrance into the US market, Zenvo Automotive has taken its own-design 7.0-litre V8 – which is both turbo *and* supercharged – and wound up the power by 144bhp.
- **They call it the ST-1 50S, but what that means is that this is a car with more than *double* the horsepower of Ferrari's (612bhp) 599 GTB and 658lb-ft *more* torque.**
- So how fast is a Danish hypercar then? Well, Zenvo has electronically capped the fun at 233mph, which is probably plenty. It will reach 62mph from rest in three seconds dead – not bad for something that's rear-wheel drive and more powerful than a Bugatti Veyron.
- **Besides a special-edition plaque personally signed by the Zenvo engineers, monogrammed seats and 19- and 20-inch wheels (20 x 12.5 at the rear) made of magnesium, this £1.1million machine also comes with a free gift!**
- Just like when your gran takes out life insurance and gets a snazzy free pen, each Zenvo ST-1 50S customer will also be given a Swiss wristwatch. The difference is that the Zenvo "Aspen" timepiece is worth £30,000 and your nan's pen looks like it was nicked from a post office counter.
- **No more than three ST-1 50S examples will be made, in either red, white or blue.**

Man executes Porsche!

Disgruntled driver hands lacklustre supercar over to firing squad!

WORDS: RORY BUCKERDIGE
PHOTOS: REX FEATURES

Ordinarily, a broken-down motor prompts a visit to a mechanic, an afternoon in intensive care and a bill that could buy a property in Hull. But a Massachusetts man got so fed up with his Porsche 911's engine problems that he gave it to his local gun club instead.

Cue all 140 members opening up on the £90k sports car, pumping over 10,000 rounds into the hapless machine.

"The shoot started with each member allowed to fire one magazine at the car from about 60 yards away," explained witness John Beauchemin.

"This went on for an hour and a half or so, and then people were allowed to shoot at will from the 100-yard line. We then opened up on the car with the twin .50-cal M2 machine guns," he continued.

We're so jealous now, we could literally pop.

A QUICK WORD WITH...

Michael Caine

On Her Maj and playing a car!

Hi Sir Michael! You're shooting the new Batman movie in England right now, aren't you? Yeah.

How filming's been going so far? Fantastic. It's such a pleasure to work with [director] Chris Nolan. We've all signed the Official Secrets Act – I'm lucky to be able to tell you the title of the movie – but the plot's extraordinary. I know why he wants to keep it a secret.

When you're voicing a cartoon character like you do in *Cars 2*, do you even bother making up any back story? I'm a method actor so, actually, there is a back story to my character, Finn McMissile. For Alfred in Batman, I wanted him to be a tough butler. I wanted him to be an ex-soldier. His voice is the voice of the first sergeant that I ever had when I was in the Army. I always imagine Alfred to be ex-SAS. He was wounded and didn't want to leave the Army, so went to work in the Officers' Mess, behind the bar. Batman's father came to visit a friend there and saw him and said, "Would you like to be trained as a butler?" So then he went to America with him and was trained as a butler. That's the back story on Alfred. I always do a back story, yes.

Back to Finn McMissile. Is this the first time you've played a car? I drove some cars in *The Italian Job* but this was a brand-new experience for me and one of the reasons that I did it. I've been in the business a long time and it's very difficult to get a brand-new experience.

Finn McMissile is a master spy. Was it fun to return to the world of spies? Well, it's one of the many reasons that I did it. I'm a 1966 Aston Martin, pale blue, which is very, very cool. I've always played cool spies and so this is absolutely marvellous. I love my car.

Why do you think the '60s-style spy movies are still so popular today? I think it's because spies are so iconic. Like James Bond, who was so obvious, he couldn't possibly be a spy because he drew so much attention to himself. My spy [Harry Palmer] did his own shopping at the supermarket, so there was a reality to it. A friend of mine met the Russian Prime Minister [Vladimir] Putin who was formerly head of the KGB and he said, "Tell Mr Caine that we used to watch all his movies and laugh because he was such a clever spy and we were never that clever!"

Finally, the Queen's in *Cars 2*, how do you think Her Maj will react to her portrayal? I think she'd react very well. She's good fun, the Queen. I've met her a couple of times. I sat next to her at a dinner once and she suddenly turned to me and said, "Do you know any jokes?" "Yes," I replied, "but not many I can tell you, Your Majesty!"

Cars 2 is out at cinemas nationwide from 17 July

Honestly, it's enough to make you glad she's getting married!

In some ways, these pictures should make us sad, given that they're probably the last we'll see of Christine Martin before she weds TV funny fella Paddy McGuinness. But if she has to get hitched then what a way to bow out!

On her hen do in Tenerife, Christine crammed her fit self into the very definition of a tiny bikini and obligingly frolicked in the Spanish surf. So she's kind of given us all a wedding present! And by crikey, it's better than a toaster!

JIM JEFFERIES GOES NUTS!

It's the most offensive column on Earth!

'Marrying Hef at 85? That's the best time!'

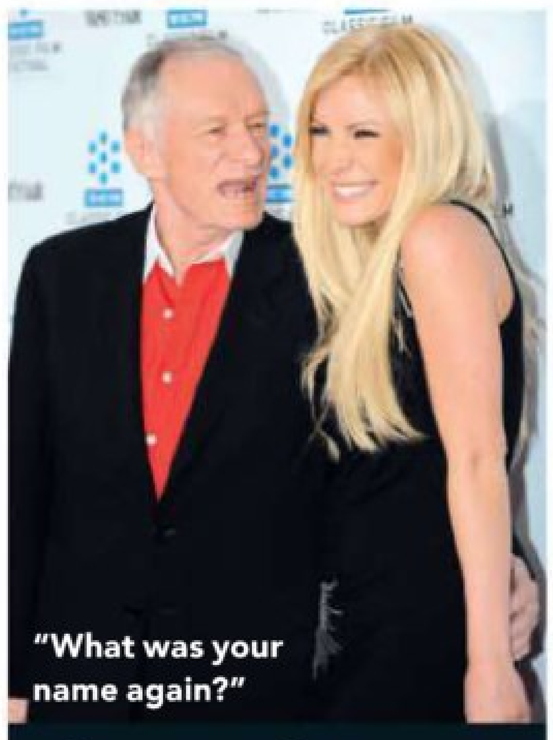

Hef off!

Morning f**kfaces! Now, let's take a moment to think about poor Hugh Hefner. The *Playboy* owner got dumped just five days before he was due to marry a 25-year-old model. But don't worry, he has a new girlfriend, who is also 25. Now, I know what you're thinking – 25 is a bit old. But at 85, Hugh is getting on a bit himself. There's a lot of speculation in the news about how these women can sleep with an 85-year-old when they should be enjoying their youth, but this is the best time to marry him! If one of them marries him and f**ks him right, then all that money is theirs!

I get where he's coming from though – when you're 16, you want to f**k 20-year-old women. When you're 25, you want to f**k 20-year-old women. And when you're 85, like Hugh, you want to f**k 20-year-old women! There's a reason why most 80-year-old men can't get erections – they have to f**k 80-year-old women!

Fox funny!

Transformers 3 is out this week and I for one couldn't be more excited – I'm looking forward to seeing how they develop the characters. Ha! Let's be honest, the movies are as boring as f**k, but at least you get Megan Fox to perv at, right? Well, no – Steven Spielberg got her thrown off the movie because she said director Michael Bay was "like Hitler on set" and the film crew all said she was as dumb as a rock. Isn't it funny how the world is? She's stupid, boring and offensive, yet I still jack off over her pics. It just proves love knows no boundaries.

"What was your name again?"

"If one of those girls fks Hef right, all that cash is theirs!"**

"I love it when you talk dirty, you Aussie w*nker"

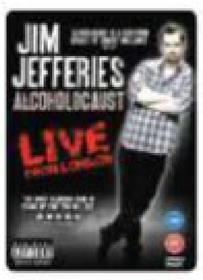

Shore is nasty!

Newcastle MP Chi Onwurah has called for reality TV shows like *Geordie Shore* to be banned because of all the binge-drinking they show. Say it ain't going to happen! Do you really think we could watch these c**ts if they were sober? They're not going to randomly sleep with each other sober! It'd be like watching football without the ball! I'm sure they're fine people if you get to know them but I won't be happy until I see one of them in hospital with their liver hanging out of their arsehole!

Tub thumping

While I'm on the subject, I'd like to apologise to the people of Newcastle. Apparently, some of you were offended because I said I'd never met a Geordie with a hot tub. One guy even rang the *Nuts* office and said that not only does he have a hot tub, but it's kitted out with a CD system and disco lights. Dead classy, mate! So, Geordies, I apologise – you *do* have one hot tub!

THE TRUTH ABOUT SEX WITH... MELISSA D

Nuts girls solve your bedroom bother!

Email questions to **thetruth_sex@ipcmedia.com**

She's not rude enough!

I can't get my new girlfriend to do some of the stuff my ex would do. The sex is much more boring! How can I get her to be as naughty as my ex?

Kyle, Watford

Convince your girlfriend you're taking her to lunch and make a little "surprise" detour to a sex shop, then show her some toys that you think might be fun! Maybe this will be an ice-breaker and you might be in for some surprises yourself!

Sex out of sync!

My girlfriend and I are up for it at completely different times. How can we sync our urges?

Sam, Wigan

Make the best of the situation. Why not set an alarm for the middle of the night and surprise her with some midnight fun? Sleepy sex is always good!

Three's a crowd!

I don't know whether to ask my girlfriend for a threesome with her fit flatmate or not – she's always said she's bi, but I don't know how pleased she'd be if I asked her for one. Should I?

Lewis, Crewe

This could go one way or the other! Give her some hints that you'd be keen on a threesome but don't ask about her flatmate just yet. Why not take some wine round there one night and, once the alcohol's flowing, ask them if they've ever had a threesome together before? Then just see what happens!

Jaw gets sore!

Whenever I go down on my girlfriend, I get cramp in my jaw. I love doing it but I'm worried my mouth's going to fall off! Will I get used to it?

Luke, Stafford

Don't try to do it all at once! It takes a while to take a girl all the way to the finishing line. Every now and then, to avoid jaw ache, move to a different part of her body or use some gentle hand strokes – that'll tease her and leave her wanting even more!

Nuts BABES' SEX TIPS!

No.44: "Don't get busy until she's been 'catered for'. Then she'll be ready to pay you back in kind!"

DAVID HAYE

The British boxing hero on Saturday's super fight against Wladimir Klitschko!

FIGHTING TALK!

Hi David! So, you're fighting Wladimir Klitschko for three world heavyweight titles this weekend. You've said some pretty harsh stuff about him in the build up. Why does he wind you up so much? It's his face! It's very annoying to look at, which is handy, as I'm planning to knock his head off!

So you're not expecting a gentle fight in Germany? Nope, you're going to see a brutal, execution-style slaying! Heads will literally fly. You're going to be looking at a straight decapitation. And I don't think there are any rules to say that once his head's come off, I can't kick it out of the ring! In all seriousness, though, this could be my last fight. Therefore, it needs to be my best fight. I'm training with that in mind and there's no chance I'm going to leave my titles in Germany!

So the retirement's still on? The plan's always been that at 31, I'd get out. Nothing's going to change that.

Even if you lose? Listen, it's always been the plan. But I have a massive fight to get out of the way, which is all I'm going to focus on for now.

You're a massive celebrity in Britain now. Does that make it hard to focus on fighting? Not really. I'm in a better position spiritually than I've been before in previous fights, and I'm keeping my head down. In the past, I'd be making a lot of noise but this time, I'm happy to let my fighting do the talking.

When preparing for a fight, do you cover your house in pictures of your opponent to help you concentrate? Not quite. There's a big cut-out of Wladimir in my gym and that's enough for me. That's pretty much all I can bear to see of his mug. But it's good motivation for wanting to knock him out.

Klitschko told us he's going to teach you a lesson and by the end of the fight, you'll know what respect means! Listen, he hasn't got an ounce of what it takes to teach me anything. He could perhaps teach me his Borat routine – in fact, he is Borat! All you'd need to do was put a little moustache on him.

Klitschko pulled Hayden Panettiere, though. How did he do that? She must have pretty shocking standards! Actually, it's probably more to do with him having lots of money. Yeah, it's money.

So how will you be celebrating when you win? I'm going to have a huge chocolate cake waiting for me. I plan to eat every last bit, then puke it right up again! I've been eating so healthily recently that the body takes time to accept nice food.

Does that mean you'll be going on a Ricky Hatton style binge when it's all done? Ha-ha! I wouldn't go that far! I'll be unwinding but I've kind of forced myself not to stomach junk food full stop. No KFC for me!

Do you ever get bored of being punched in the head? Was that a threat? Ha-ha! Nah, I'm more worried about my hands. I punch so hard that I'm scared of damaging them on people's faces!

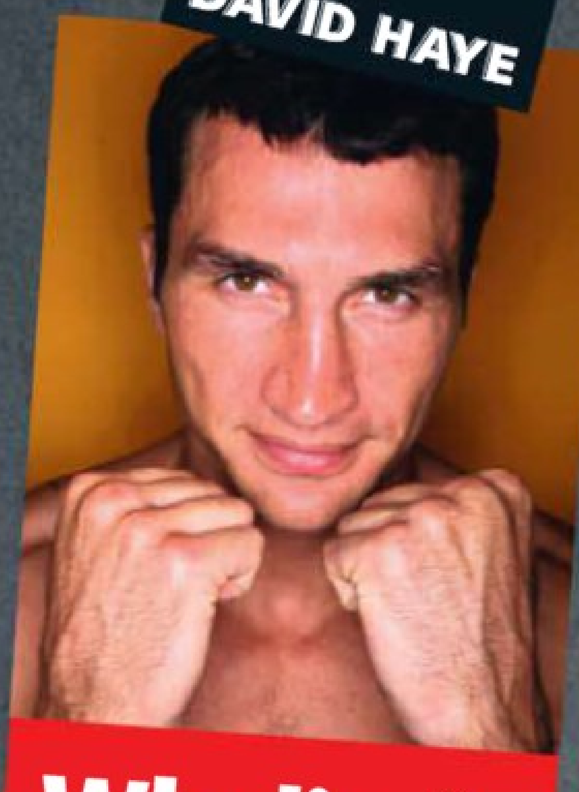

Finally, when you do retire, will you be shuffling off to an allotment? Ha-ha! Sure, why not? I could see myself growing some organic vegetables. Actually, Klitschko looks a bit like a vegetable, doesn't he? ■

David Haye vs Wladimir Klitschko is live on Sky Box Office on Saturday 2 July from 8pm in HD & 3D. Book now via your remote or go to sky.com/orderboxoffice to order online.

DAVID HAYE

Wladimir Klitschko

Nuts grabs a quick word...

Hi Wladimir! Are you looking forward to finally getting in the ring with David Haye?
I'm really looking forward to it. I just hope he shows up! The stage is set, there'll be fans coming from all over the world to watch this fight, so it will be interesting to see who they cheer for!

He's said some nasty stuff about you and your brother Vitali. Does that bother you?
David Haye shows no respect. I believe I will teach him how to show respect.

Does Haye worry you at all? I've got respect for him. His knockout ratio is very impressive. I've made sure I've prepared for the fight accordingly. He's said I'm the weaker of the Klitschko brothers and that I have no chin. I feel like I need to teach Haye how to behave himself.

Are you aiming to knock him out then? Haye will be my 50th knockout, for sure! He said my previous opponents were all bums. I'll show him that he's just another one!

You seem relaxed. Are you ready for the Hayemaker?
I know exactly what to expect. He has great speed and he's very motivated, but I'll take care of business in the ring for sure.

"You're going to be looking at a straight decapitation!"

Rosie Jones PRESENTS NAKED BRUNETTES!

Gents, check these brown-haired beauties with bountiful bosoms!

We here at *Nuts* magazine like to think that we stand for noble qualities such as equality and fairness. In fact, it's a fine tradition that we're incredibly proud of and one that we'll endeavour to uphold in these hallowed pages for as long as we're publishing pictures of the hottest ladies around. To that end, we thought it was high time we brought together the sexiest brunettes we could find and give them a chance to talk about what makes being dark-haired so blooming brilliant. Minus all their clothes, of course! First up, it's the stunning Rosie Jones... ➡

ROSIE'S NAKED BRUNETTES

Rosie

Hi Rosie! So tell us what rocks about being brunette? Brunettes are the new blondes! It used to be said that blondes have more fun but now everyone's brunette and we're taking over the world! Blondes look cute but brunettes are more feisty.

Will we ever see a blonde Rosie Jones? I don't think it'd suit me – I'd look a bit silly! When I was younger, I used to have that really awful thing where you had two blonde strips right at the front of your head. It wasn't a good look, so I don't really want to remind myself of that!

Who's your favourite brunette in the whole world? I'm going to go with Kelly Hall, because she's right next to me now with her boobs out and she looks really sexy! Everyone looks amazing!

Who's the cheekiest girl on the shoot? Lacey Banghard! She's got an awesome name and she

talks like a little mouse, but she's also really fit. I sometimes get boob envy on these shoots.

Anything better than a bunch of naked brunettes, then?
I don't think there is! Maybe a bunch of naked red-headed girls. That'd be lots of fun!

So we hear you're off to the US for a bit. How come? It's for a calendar. I've done it before – it's where we all get naked and hold guns! You'll probably see it in a few months. It's very sexy!

Aren't you tempted to just stay out there? I'd love to live there! I want to live in Huntingdon Beach in California. It's my dream, so I'd quite happily ➡

stay there, but I'd have to have my dog move out with me, too.

We see that you're always on Twitter. What's the appeal? I didn't actually understand it for the first six months but then I discovered that you could use it to see what all your mates and all the other models are up to. So everyone go online and follow me. And *Nuts*, of course!

What's the best thing a fan's ever sent you? Somebody once sent me loads of Nando's cards filled up with the free whole chickens! That made me really happy, so every time I go there I don't have to pay for any food!

What should Cheryl Cole do now that she's been told to bog off by *The X Factor*? I dunno, but I'm getting a bit annoyed

"Lacey's really fit. I'm getting boob envy!"

with her, really. Just, like, get out the spotlight already! She's not as bad as all these home-wrecker girls who are all coming out of the woodwork, though.

So who's your hero? Superman. Nah, that's rubbish! Actually, it's Alan [Zach Galifianakis] from *The Hangover*. I love him! He's someone I could hang out with.

Finally, what's funnier, a monkey playing golf or a goat wearing a hat? A goat wearing a hat! I've never seen one, but I think it's more likely to happen than a monkey playing golf. In fact, a goat wearing a hat would be my real hero!➡

LACEY

Hi Lacey! Who's sexier, blondes or brunettes? Certainly brunettes. There's just something more natural and sexy about us. Darker-haired girls are curvier, have more seductive eyes and they always have a naughty glint! **Who was the naughtiest girl on the shoot?** Kelly Hall! She's spent all day walking around with her boobs out and slapping all our bums. She's so naughty! **What's your favourite bit of underwear?** I've got a thing for suspender belts and stockings,

"I've got a thing for suspenders and stockings!"

but I save those for special occasions! Mostly, I just like French knickers. They make bums look amazing!

How would you seduce a bloke on a first date? I'd just simply take my top off! Once they've seen my boobs in the flesh, they'll be in a very good mood.

Is there anything that really winds you up about blokes? Yes, loads! But the one thing that really grinds me is when guys complain all the time. Readers, take note – girls really hate it and it's a massive turn-off!

So, if that's a turn off, what can a chap do in the bedroom to impress you? Any girl will tell you that she likes a bloke to be really attentive and unselfish. I like it when a guy thinks about my pleasure before his. That's really impressive! ➡

Sabine

Hello Sabine! So, do brunettes have more fun than blondes? Of course we do! We're more mysterious. It's all well and good being cute, but being dark and sexy is way more fun!

Who's the sexiest brunette in your eyes? Classic! That would be Angelina Jolie. I know it's a bit of an obvious one, but she's mind-blowingly sexy!

What was the last dream you had? It was really random. I was panicking, trying to get hold of some make-up, but nowhere would send me any. I wish it was more exciting than that!

We were hoping for something ruder! So, what was your last rude thought? I was fantasising about being naked on a hot beach in an exotic part of the world. That's pretty much it!

50 Nuts

Do you own a pair of lucky pants? No, I don't, but I like to think that every pair of pants I wear is a lucky pair, if you know what I mean!

How would you go about seducing a bloke? I like to think my body would do most of the talking, so as long as I make eye contact, it should be very easy! I'd also make sure I was wearing something sexy that would let his imagination run wild!

Thanks for the chat, Sabine. Finally, is there anything we should know about you that would really surprise the *Nuts* readers? Not many people know that I do lots of singing and dancing! Someone suggested that I go on *The X Factor*, but I don't think I'd enjoy it! Maybe if the *Nuts* readers request it, I'll give it some thought...➡

COURTNIE

Hi Courtnie! They say blondes have more fun. is this true? Absolutely not! Blondes might appear to be having more fun, but brunettes are naughtier and cheekier under the surface. All the brunettes I know are way raunchier than blondes!

What's the best thing about being a brunette? We can get away with being dirtier! Blondes have the whole innocent thing going on, but we're the naughty ones and we party harder!

Would you ever shave your head for a laugh? Doing my hair takes so much effort and is so annoying that I've considered doing it before! But that'd be a bit mental. I'm not ready to do a Britney Spears yet!

Do you have any piercings? Yes! I have a cheeky belly button one and plan to get a few more. I don't have any naughty or dodgy ones, though!

When was the last time you laughed so hard you nearly did a wee? On my trampoline! I've got a massive one in the garden and it's so much fun. It's even more fun when you're drunk and with friends.

What's on your iPod right now? Hmm, I really like chart music. I'm proper loving Bruno Mars right now – he's, like, the coolest guy around. I'd love to meet him!

Who else do you admire? It's lame but I really like Katie Price! She gets so much crap said about her but she never seems to let it get her down.

Finally, what was the last naughty thought you had? Probably one I was having after the shoot! So many gorgeous girls with perfect bodies...➡

"Brunettes can get away with being dirtier!"

"I plan on being naked in my garden this weekend!"

KELLY

Hi Kelly! Why do you think brunettes are better? We're more mysterious! We have more fun and it seems to me that *Nuts* readers quite like their brunettes. They're going to be in for a real treat with this shoot!

Who's the sexiest brunette in the world? I have to say Rosie of the Jones! She's my Page 3 stunner from another mother. Her boobs rock and I get to see her naked most of the time!

Aside from the lovely Miss Jones, who's your hero? Er, Father Christmas! Only joking, I always admire Peta Todd. She's really fit and is a good egg, too.

What's the most outrageous thing you've done recently? The other day, we got stuck on the M6 so I thought I'd flash for the frustrated drivers! We got the roof down and I got my boobs out. I don't think the women drivers liked it!

What other skills have you got? Everyone thinks they're a good singer when they're drunk, don't they? I'd say I'm average but I love karaoke. It's got to be something old-school that everyone can sing along to.

OK, we're coming to yours for tea – what can we expect? Domino's pizza, a lot of sambuca and beer, and we'll all go skinny-dipping in my hot tub! All my female friends are hot so you'd have the best time!

If you weren't a model, what would you be doing? I'd still be flashing my boobs now and then but I reckon I'd still be working in a salon or working in Ibiza, tearing it up in the sun!

What have you got planned for the weekend? Nakedness! I have a really private garden so if the sun's out, I plan on being naked in it, drinking lots of beer and having a barbecue!

Crikey! Finally, do you have a catchphrase? I can't help but say, "It's well reem!" at the minute, because of the bloody *Only Way Is Essex*! It does my head in, but it's proper addictive!■

10 maddest McIlroy facts!

Why we love golf's man of the moment!

We loved watching Rory McIlroy storm to the US Open title last week, at the age of only 22! We're now big fans of the Mac here at *Nuts* - and here are just a few reasons why!

WORDS: TIM BRADLEY PHOTOS: GETTY IMAGES, ACTION IMAGES, WENN

1 HE HAS A HOT MISSUS! Rory's current squeeze is blonde stunner and sports technology student Holly Sweeney. She also happens to be a cheerleader! Sometimes, life really just isn't fair.

NICE FILLIES!

2 HE LIKES A NIGHT OUT! Rory's been seen getting stuck into the champers in the VIP section of a few Belfast nightclubs, including one called Ollie's, where people like Take That have been seen!

3 HE'S GOT SOME NAGS! We think horses are weird, unless they're being funny by eating apples with their huge teeth. But Rory has stakes in two racehorses – Gluwein and Never Up, Never In.

4 HE'S A TELLY STAR! Aged nine, Rory went on TV to knock golf balls into a washing machine, and he'll be on Simon Cowell's new show *Red Or Black* with Ant and Dec. Hope he doesn't sing!

5 HE'S PROUD OF HIS BARNET!

Despite looking like the Irish one out of One Direction, Rory claims his curly locks bring him luck, and are a big reason behind his success!

6 HE TWEETS!

Even after completely blowing a huge lead at the US Masters, Rory still went on Twitter to take the mick out of himself, saying "Well that wasn't the plan!" Legend!

LOVES HIS PA!

7 HE LOVES HIS FOLKS!

To fund his son's golf career, Rory's dad did three jobs, and his mum put the work in, too. He repaid their help by buying them a £400K house with his winnings!

8 HE DRIVES TOP CARS!

Not only does Rory have a red Audi RS6 and a white Lamborghini LP560-4, he's also just taken delivery of a Bentley worth £165K. He can afford it, though, to be fair!

LIKES A DRINK!

9 HE'S A RECORD BREAKER!

The Mac smashed US Open records all over the place on his way to victory. His final 268 aggregate score was the best in the competition's history!

10 HE LOVES A TIPPLE!

One US Open tradition that Rory was happy to go along with was glugging booze from the famous trophy. After all, he's well known for getting on the Jaegers!

KAMMY!

ONLY IN Nuts!

He's the voice of the fans – and he's only in *Nuts*!

Mini Mourinho has his work cut out!

I was really surprised when I heard that 33-year-old Andre Villas-Boas was to be the new Chelsea boss. I was convinced that Guus Hiddink would take over at the Bridge but Roman Abramovich has splashed a record amount of cash to get his man and it's certainly a bit of a gamble. While there are bound to be comparisons with the "Special One", let's not kid ourselves.

"Wins will be a lot harder to come by in the Prem!"

"AVB", as they're calling Chelsea's new gaffer, isn't a man with a huge amount of experience, despite having won a treble last year with Porto. He'll find wins a lot harder to come by in the Premier League than he did in Portugal, even if he can bring some of his more talented players over with him.

Also, at 33, he's the same age as Frank Lampard and Didier Drogba, and although he knows some of the players at Chelsea from his time as one of Mourinho's assistants, it'll be a different matter being their direct boss.

I don't think "AVB" will be under any illusions, though. He'll know that his two-year contract will mean nothing if Chelsea finish trophyless once again. Roman Abramovich simply doesn't do patience!

It's shaping up to be a very interesting season for Chelsea, and not just because of their manager. There's also the issue of which players they're going to splash a rumoured £100m transfer fund on. And £50m man Fernando Torres needs to start scoring goals quickly come August – if the new boss can make that happen, he'll be off to a flyer!

Me up a huge mountain – unbelievable!

I've just come back from climbing Mount Kilimanjaro, the highest mountain in Africa, and what an incredible experience it was. We did it for Marie Curie Cancer Care, and have raised an amazing £400,000 so far thanks to the generosity of so many people.

I'm glad I'll never have to do it again, though, and while it was so memorable for many good things, it was very, very tough and emotional. Thankfully, I had great camaraderie from the likes of Aidy Boothroyd and Swansea boss Brendan Rodgers, and everyone on the climb pushed each other to the top.

Despite the onslaught of exhaustion, illness and badly blistered feet, we made it in the end. I'm definitely sticking to the comfort of standing in football stadiums from now on, though!

"Unbelievable, J... sorry, I mean Brendan!"

NUTS PROMOTION

Nuts GAMBLING MASTERCLASS!

We poured this advice into a *Nuts* man's head and sent him online to try to win!

Deal or No Deal top tips!

Deal or No Deal is a game enjoyed just by those who believe in a "system", right? Well, the TV game show might be, but the multi-line slot isn't!

For as little as 5p a go, you can win big – and if you're willing to play on all lines, you could win a progressive jackpot. In fact, one winner walked off with £1.96m!

And best of all? You can win big money in the comfort of your own home!

HOW TO PLAY

- **The aim is to get winning symbol combinations from a spin of the reels, with the ultimate aim being to win the progressive jackpot.**
- You can gamble up to 20p on each of the 20 pay lines. That's up to 20 chances to win on each play!
- **The progressive jackpot can only be won on the Deal or No Deal bonus game, but there are also two other fun bonus games called Banker's Offer and Mystery Box Bonus, where you can win cash.**

THE NUMBER LINES

It's all self-explanatory – click the number beside the reels, or the "Bet One" or "Bet Max" button. Choose Bet Max for the chance to play the bonus game and win the biggest jackpots!

BONUS GAME

If you're betting on all 20 pay lines and you get three Deal or No Deal bonus symbols on any pay line, the bonus game begins. This is much like the Deal Or No Deal TV show, only the big progressive jackpot is at stake here. Don't be too greedy or, like us, you could end up with £8 instead of £100!

Win up to £10,000!

Ortiz: 'Brits party like no one else!'

America's MMA legend talks to *Nuts* about bowing out of UFC!

Hi Tito! How's the training for UFC 132 going? You're up against Ryan Bader after losing your last three bouts! It's going very well. I turned 36 in January and I won't try to tell you it's as easy as when I was 26. I'm a little sore right now, but I'm pushing myself. Ryan Bader's a top-four fighter with heavy hands and he's only lost once in his life. I really need to win this one.

If you lose this fight, you'll lose your UFC contract. Does that worry you? I know my time's coming. I get it. But I've still got three fights left on my contract and I know I can go out on three wins – three big wins!

Do you have to be completely mad to be in the UFC? I think so. Fighters are born as alpha males and have this different mentality to do what we do!

How much harder is it in the UFC now compared to when you started? I'm the last of the Mohicans, for sure. [UFC chief] Dana White told me he wanted me to retire. I thought he was joking. I pointed out that I'm still competitive – more than competitive – with the top guys, and I think Dana respects my passion – and he matched me with Bader!

You and Dana famously fell out a few years ago. Have you made up with each other now? I'll always be grateful to Dana White and [UFC CEO] Lorenzo Fertitta for everything they've done for the sport and the chances they've given me. Dana and I butt heads. A lot. It's because we're so similar.

So who's the scariest man in the UFC? You mean besides Dana? Rampage Jackson. I'm friends with Rampage – he's got freaky power.

What do you think of UFC fans in the UK? I love the fans from the UK. They come to see the fights, cheer like crazy and then party like no one else in the bars in Vegas. I'd love the chance to fight over there!

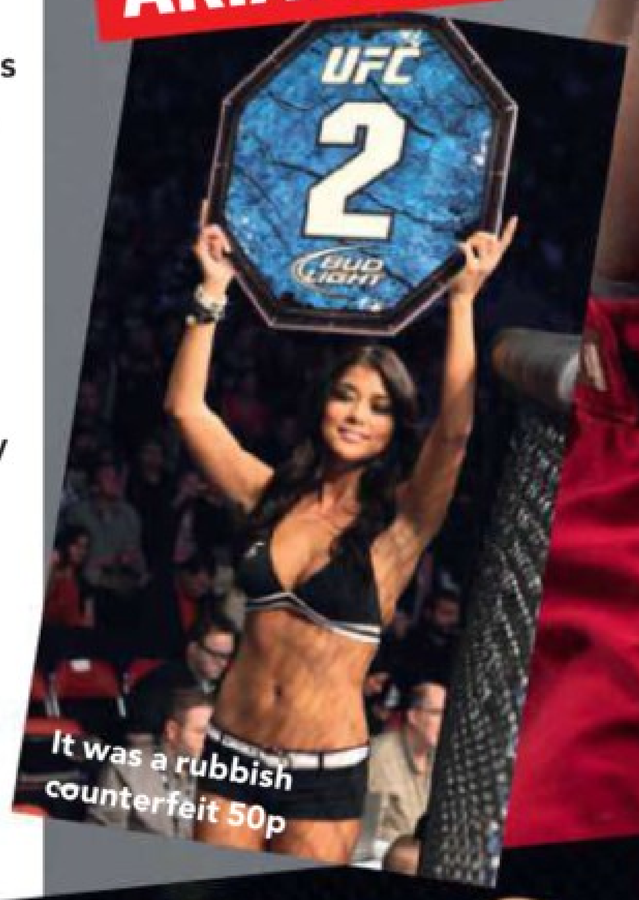

Thanks, Tito. Oh, by the way, any chance of getting Arianny Celeste's phone number? Sure! I'll shout it out to you during my post-fight victory interview. You know how to dial international, don't you?

UFC 132 live from the MGM Grand in Las Vegas, Sunday 3 July, from 2am, on ESPN

LADIES CONFESS! TO OUR SECRETARY!

100% REAL STORIES!

CONFESSION OF THE WEEK!

'I touched a stranger's boobs!'

My man and I got invited to a film screening at a posh London hotel last week. I found it boring so snuck out to grab a drink and touch up my make-up in the loo. As I entered, I noticed another woman with an amazing cleavage and incredibly long legs. She caught me checking her out and gave me a huge grin. I felt a rush of excitement and moments later, we were in a cubicle snogging and my hands were down her top, playing with her huge boobs. I've never touched boobs before but I can't wait to do it again! Then someone came in so we had to cut our session short. I re-joined my man in the cinema and noticed she was sitting right near us with a colleague of his! Awkward!

Paula, by email

'I watched us in the mirror!'

I don't normally enjoy 69s as I find it hard to concentrate on my own enjoyment, and it normally doesn't feel as good as doing it as the right way up! However, the other night, my fella and I started doing it in front of the mirror. The sight of our two bodies working on each other really turned me on and when my boyfriend added to my oral pleasure by putting a finger in my bottom, it wasn't long before I was in heaven and came all over him!

Lisa, by email

'Our walk led to naughty fun!'

A couple of weeks ago, my boyfriend and I decided to take a romantic stroll through the local woods. We'd been walking for about ten minutes when my natural urges began to take over and I started to feel hot and horny. To his surprise, I grabbed his bulge and led him over to a secluded spot for us to get it on. I forced him to sit on a log, pulled down his boxers and took him in my mouth. It wasn't long before I was gagging for it though, so I slipped my thong off and hastily slid him inside me. The experience was so exciting, it wasn't long before I reached climax, but as I attempted to get him deeper into me, he lost his balance and we fell crashing to the ground! It was probably a good thing we stopped because an old man walking a dog came by moments later!

Chloë, Colchester

'We exchanged rude emails!'

While studying in the uni library last week, I came across a messaging website for people on my course. I started chatting with a guy I'd never met before and it soon started to get dirty. By the end of the conversation, I was throbbing between my legs and all I wanted was to slide him inside me. He asked if I wanted to meet up later and I wasn't sure at first but I was feeling really hot so I agreed. We met at the student union bar, got a few drinks and flirted, and the next thing I knew he was running his hand up my leg. His fingers went inside my skirt, teasing my clitoris until I was soaking wet and he was pushing his fingers deep inside me. Worried we'd get spotted and thrown out, we moved into the toilets where we began rubbing against each other. I unzipped his trousers and touched his already stiff penis, taking it into my mouth and sucking him deeply. He turned me around and pushed my hands up against the wall. He whipped on a condom and entered me from behind, thrusting as hard as he could inside me until he came. As we left, we got some odd looks but it was definitely worth it! I'll be spending a lot more time on that site in future!

SHE'S A ROCKSTAR GIRL!

Meet the winner of the energy drink's ace competition!

ROCK CHICK!

There are a number of things we love here at *Nuts* – slurping beer in the lunchtime sun, or partying hard after work, for example. But there's one task we've taken on with more gusto than a lap from MotoGP world champ Jorge Lorenzo in the past few weeks – sifting through the many entries from the lovely ladies who've sent in bikini shots of themselves, bidding to become a Rockstar Girl!

You see, the makers of the ace energy drink had the genius idea of launching a national competition to find a Rockstar Girl, and after many late hours of deliberation, necking cans of the peerless pizzazz replenisher we've whittled the pack down to one lucky – and very lovely – winner, and here she is!

Katalina is a 24 year-old nightclub promoter who lives in London, and here she tells Nuts a few things about herself...

Hi Katalina! How does it feel to be a Rockstar Girl? Very cool – I've always wanted to be a rock star! Ha-ha!

How did you react to the news you'd won? I jumped up and down on the bed then rang my mum to tell her!

Is this your first photo shoot? No, I've done modelling before, but never in *Nuts* magazine!

Describe a typical big night out for you and your mates. We start with showers at my house and a few drinks, then we do each other's make-up in our underwear. Then we all go to London's West End to party!

Thanks, Katalina! Finally, what are your best assets? It's a dead heat between my smile and my boobs, as they're both up front!

Visit www.nuts.co.uk/rockstar to see more great shots of Katalina from the Rockstar photo shoot!

Rockstar is scientifically formulated to provide an incredible energy boost for those who lead active and exhausting lifestyles – from athletes to rock stars. Rockstar contains a potent herbal blend of guarana, ginseng, B vitamins and taurine.
